POLICIES AND INFORMED CONSENT

I _____ the parent/legal guardian of _____, who wishes to participate in cheerleading at Cheer Eruption All-Stars, LLC, give consent for such participation.

We understand that our child is required to be in good physical shape and condition and that activities which he/she will be asked to and expected to participate in are strenuous and require physical and athletic agility. It has been fully explained to us that these activities include, but are not necessarily limited to a variety of gymnastic routines including somersaults, back handsprings, aerials, and round-offs; that there will be a variety of mounts and stunts requiring the coordination of more than one participant on the squad; that these activities will not be confined to any one site or venue, but rather a variety of site and place throughout the year.

It has also been explained to us that cheerleading is an activity in which the risk of injury is high; that any one of the routines involving our child's participation in cheerleading activities in general could lead to serious injury, including partial or total paralysis, even death. We have also discussed this with our child and among ourselves. Despite this understanding of the possibility of serious or catastrophic injury or death and the risks involved, we still consent to the participation in this activity by our child. Cheer Eruption All-Stars, LLC is not responsible for any accidental injuries that may occur during practices, tumbling or any Cheer Eruption Events.

I understand the safety policies of CEA and agree my child and I will abide by them.
